Gregg Nelson: *“Vroom! Vroom! Baby!”*

After a twenty year absence, the Minnechaug MARCHING BAND is back! Thanks to our enthusiastic director, Ms. Margaret Reidy, the band has already marched in the Peach Festival Parade (seen on these pages), at the Pep Rally, and the Homecoming Football game. Look for this group in many more events in the months and years to come.

Communication Training Weekend

Who: *Communications Training Classes* When: *September 1994*
Where: *C.O.P.E. course (Challenging Outdoor Physical Encounter)*
at *Moses Scout Reservation, Hawley, Mass.*

What: On this weekend field trip, Communication Training students participated in 2 days of group problem solving, low balance activities and high aerial challenges.

Why: to build communication skills * to learn to rely on and trust each other * to learn the power of encouragement * to have lots of fun

Fondest memories: little tiny orange lizards * the Bobs * 14 bunks in one room * all night talking in the girls room * that odd smell in the guy's room * Seann, the alarm clock * Mr. C.'s final warning

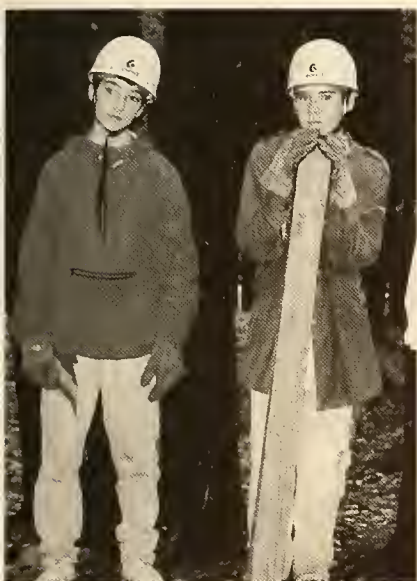

A little weary, a little worn...

(Far left) "I think I feel a little top heavy."

Step in line! Step in time!

"I can't believe I'm getting into this."

Allison and Justin thinking about what's to come.

On a different note: Project Adventure is the *Minnechaug-based* physical skill and group cooperation training network that P.E. classes participate in. They scale walls, climb ropes, and more to test their bodies and minds.

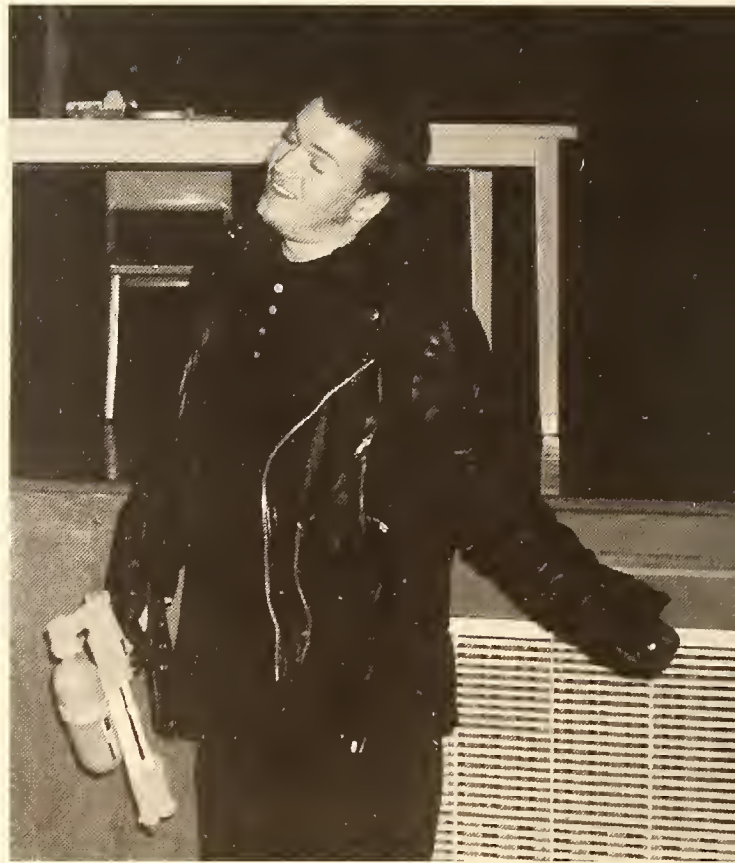

"It's gonna be a piece of cake! I think!"

TECHNOLOGY UPGRADE '94

Big changes were seen in the way Minnechaug "computes" this year. Shown here is some of the new equipment in the Business and Tech. Ed. Departments, the Media Center and the English Writing Lab. Many other areas benefitted with new computers, Video Monitors, Ink-Jet and Laser Printers, CD-ROM, and Laser Disc technology.

PAINING MINNECHAUG GREEN!

A new coat of paint was given to courtyard tables and benches and the football stands this year.

(Above) All eyes and ears are focused!

(Above Right) Mike Smith held the attention of the packed house.

(Lower Right) Smith's words tickled a few funnybones.

(Lower Left) This "unidentified" student was artistically inspired by the message.

Motivational Speaker, *The "Original" Mike Smith* had M.R.H.S. clapping, humming, listening, and responding to his "positive words".

This bunch of "Chaugers" at the Proclaimers Concert at Pearl Street in Northampton in November had a song dedicated to them after meeting the band backstage.

Fruitland Jackson was only one of the great Blues performers visiting M.R.H.S. this year as part of *Mr. Tipaldi's Blues Parade*.

MINNECHAUG STUDENTS *Past and Present* below are (in front) Karen Briggs, Kristen Macaulay, Nicole Tousignant, Daniel Tousignant, and Brendan Trombly. In back are Mrs. Anne Briggs, Mrs. Beverlie Macaulay, Mrs. Ann Tousignant, Mr. Gary Petzold, Mr. Daniel Balsler, Mrs. Maureen Trombly, and Mr. Richard Scott.

PAST & PRESENT M.R.H.S. STUDENTS

Thirty-five years, hundreds of staff members, thousands of graduates, all these changes, all this progress. . . but, somehow the names and faces don't seem to change really that much. . . the more things change, and time passes, the more things stay the same and become timeless. *But, we still haven't decided if fashion just might be the exception to this rule!*

To the right we find a young Dan Balsler with his parents and in the inset photo with his son Eric.

Even Yearbook Advisor Richard Scott, Class of '75 didn't escape our photo search. We found him acting on the M.R.H.S. stage and speaking at his graduation.

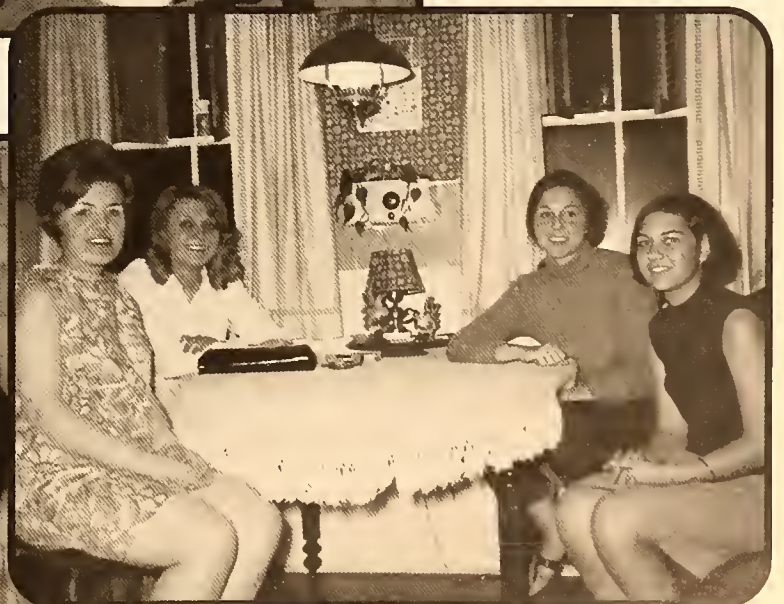

(Above & Immediate Left) Ann Tousignant, Class of 1966 shown here in her Senior portrait, cap & gown, and Prom attire.

(Center Page Top & Middle) Maureen Trombly, Class of 1965, is pictured here in cap & gown, and Prom dress.

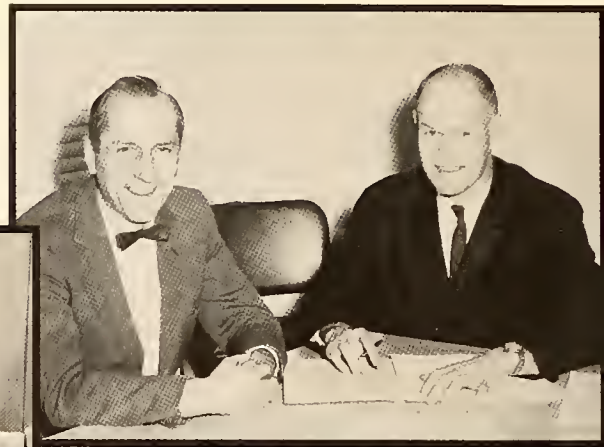

(Center Spread Top & Middle) Beverlie Macaulay, Class of 1964, is seen here in Drum Major attire and Semi-Formal attire.

(Below and Below Left) Isn't that Donna Alberici O'Connor, Class Of 1966, we found here pictured at the table with Ann Tousignant, and at left working on the M.R.H.S. Stage Crew?

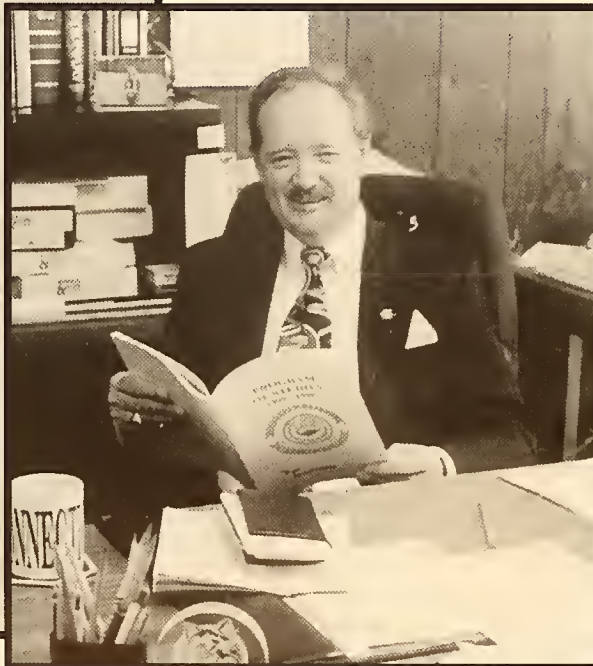

In 1959 Mr. Irving Agard (right) was the Superintendent and Mr. Kenneth Johnson (left) was the Assistant Superintendent. In 1995 Mr. J. Brian Halloran (below) is the man in charge of the Hampden & Wilbraham Schools.

Minnechaug graduates of the Class of 1995 can take pride in their accomplishments of the past four years. As the thirty-fifth graduating class, they join an alumni that has provided leadership in a wide variety of activities which have improved our nation, state, and communities. As you move from student to graduate, I hope that you will continue to meet the challenge of improving our world for all.

J. Brian Halloran, Superintendent

S T A F F

As Minnechaug celebrates its 35th anniversary, it is appropriate that all of us take a moment to think about the accomplishments that the thousands of graduates since 1961 have achieved. If our walls could talk, they would tell stories of success, stories of achievement, stories of personal triumphs, and stories of personal tragedy. This is a special year as we reflect on a special time. Our hope is that each of our graduates has a strong academic foundation and has developed good citizenship traits which will lead each individual toward fulfillment of his or her potential. We live in a world of complex and rapid changes. The society today is far different from the one which the first graduates faced. And yet the mission for Minnechaug has never changed. Learning is a life-long process, and high school is one step along the path. Make the most of each day. Live life with a purpose and use the skills, attitudes, and attributes you have developed to always be positive contributors to our world. My special congratulations to the Class of 1995. You have earned a rightful place in the proud history of Minnechaug, and we look forward to your involvement as alumni who will carry on the tradition of excellence which has grown during the last thirty-five years.

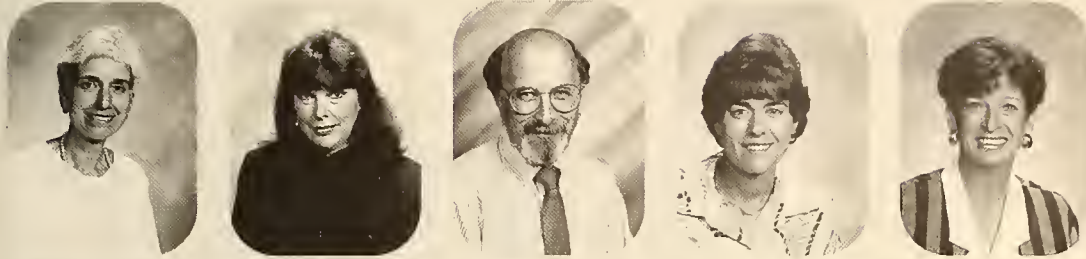

Robert A. Johnson, Principal

When Minnechaug Regional High School opened its doors thirty-five years ago Mr.

Arthur W. Reynolds (above) was the principal, and now in 1995, **Mr. Robert A. Johnson** (above left) is the man in charge of the Regional High School.

Mike Kostek hops back to the 80's with his "pogo ball".

Jeff Fontaine models the "new look".

Liz, Jeff, Sheila, Nikki, Mike and Carolyn show off their favorite items!

Mr. Kibbe proudly shows his new toy!

JUNIOR CLASS *Tag Sale*

On November 19, the Junior class held a Tag Sale to raise money for Senior activities. Many people got involved in the collecting, delivering, tagging, and selling of numerous items. This event was a huge success for the class of 1996.

There were many interesting things to be found. Les Kingsbury and Sarah Navab find a few.

Things ran smoothly with the help of Mrs. Maleckas, Mrs. Briggs and Mrs. Little.

Carolyn protects herself from falling objects.

Kim Kisner & Sam Rao confer with Senior Nate Allen.

With the leadership of tri-Captains Rick Falzone (Center), Adam Basch (Tackle), and Matt Freeman (Tight End) hard work was the key. Head coach George Cauley emphasized hard work and dedication, where everyone knew that if they didn't give 100%, they would be replaced. Junior Quarterback Brian Maloney lead the strong offense with Junior running backs Jamie Mitchell and Charlie Luvera, along with Sophomores Adam Ketschek and Rob Cirillo. Coach Bill Griffith, along with Lineman Coach Andy LeBlanc lead with determination, and the starting offensive

line led us with good blocking. Our strong JV (aka "da Lench Mob") ended their season with a 4-5 record, and the Freshmen with an outstanding 5-3 record.

Cross Country

The Minnechaug Distance Dynamos closed the season with only one loss. Brendan Trombly and Brendan Murray distinguished themselves this year by making the Western Mass

Team. Both the girls and boys Cross Country teams had the depth of talent, worked hard and displayed the effort to win. What led to their success was a mixture of finely tuned veterans, high ability new comers, and of course the constant hard work and grueling hours that keep Minnechaug on the top. Although the Seniors will be missed next season the talented young runners remaining on the team did show infinite potential and we are sure they will continue the fine tradition of success that has existed at Minnechaug for many winning years.

Boys Soccer

This will be a season to be remembered! The winning combination of a dedicated team with fresh talent and seasoned upperclassmen like Nate Allen, Mike Disa, Jeff MacFarlane, and Mark Martinez, days and days of hard work, drilling the basics, planning and more planning, a new coach with a winning attitude, more hard work, excellent goal tending from Alex Leritz, a full measure of Falcon spirit, and maybe even some Falcon luck, brought us to the Boys Soccer mountain top. And we met the challenges, one after another. Karl Labadorf, when asked to name a defining mo-

ment in the season, spoke of "the half-time pep talk during the Quarter Final game against West Side", and the "feeling that they were a TEAM!" And good years were seen by all with both JV and freshmen boys teams having powerful seasons.

Girls Soccer

The Girls Freshmen, JV, and Varsity Soccer teams did a tremendous job this year. The Varsity started the season with a 3-2 record. Nine of the games were decided by a one goal margin. In other words there were many close games for the Girls Soccer team this year. Although their

record did not reflect a winning season, their attitude was #1. Senior Captains Megan Burke, Autumn Renn and Joanna Wolkowski led the team with their leadership skills and outstanding playing ability. Joanna was selected for the All Western Mass 2nd team. The team will lose Seniors Megan Burke, Lindsay Davidson, Erika Nelson, Deana Novembrino, Autumn Renn, Nicole Tousignant, Ashlee Welz, Joanna Wolkowski and Nicole Yacovone to graduation. Even though the team will be losing many great athletes, with the number of outstanding underclassmen, strong J.V., and freshmen players, Minnechaug Girls Soccer should be as strong as ever.

VOLLEYBALL AT MINNECHAUG! Yes you read that right! We have FOUR NEW FALL TEAMS with both Girls and Boys Varsity and Junior Varsity Volleyball Teams hitting the floor with a blast of power. All four teams had strong debuts and immediately caught the attention of league competition. Coach Steve Jarvis did an amazing job fielding two boys teams with no veteran players. And Coach Lisa Bugay sent the girls to the floor well prepared to play, and play hard. All this and having to outfit the Minnechaug gyms to practice and play an all new sport with no equipment, uniforms, or school traditions. All teams had awesome players and a few really stood out. Elaine

Kwong, Chrissy Andrews, Deena Little, Katie Thronton, Karen Cortese, and Mandy Collier were 1994 players well worth watching. And Kris Gilligan, Anthony Schneider, Chris Reavy, Bernardo Cuadra, and Mark Fulton were "hot"!

Gymnastics

The Girls' Gymnastics Team continued their tradition of excellence with a second undefeated season. We finished with an outstanding 16-0 record, winning the League and once again capturing the Western Mass. Title. The team will lose four talented seniors; Keri Boduch,

Cindy Guiffredo, Jessica Hamer, and Kelly O'Neil. Seniors Keri Boduch and Jessica Hamer finished their careers with over a thousand points scored, something only seven people have accomplished in Minnechaug history. Keri Boduch, Jessica Hamer, and Sophomore Lindsay L'Heureux were also named to the All Western Mass First Team, while Sophomore Amanda Hall was selected as part of the Second Team. At the PVIAC A Division Championships, Keri Boduch placed first, while Lindsay L'Heureux took second place honors. Next year's team will have tremendous talent in the four returning sophomores. Hopefully they will be able to continue the tradition of the past two undefeated seasons.

The 1994 Varsity and JV Girls Field Hockey teams were spirited groups that gave one hundred and ten percent! The girls learned to trust each others talents and worked together. Girls Basketball

This year the girls improved their standing and ended up joining a new improved league. The level of spirit on the team was high and the players were dedicated to the game. The FALCON Varsity returns to post season games for the third straight year, but this time at the top of the tough Division I. We had been playing mostly Division III in the Tri-County League the last two seasons. We qualified for the Western Mass. Tournament with a hard fought 79-73 win over rival Cathedral. Senior Joanna Wolkowski was really hot against Cathedral with a career-high 27 points. Two other "always-motivated" 'Chaugers, Megan Burke and Freshman Jillian Danker scored

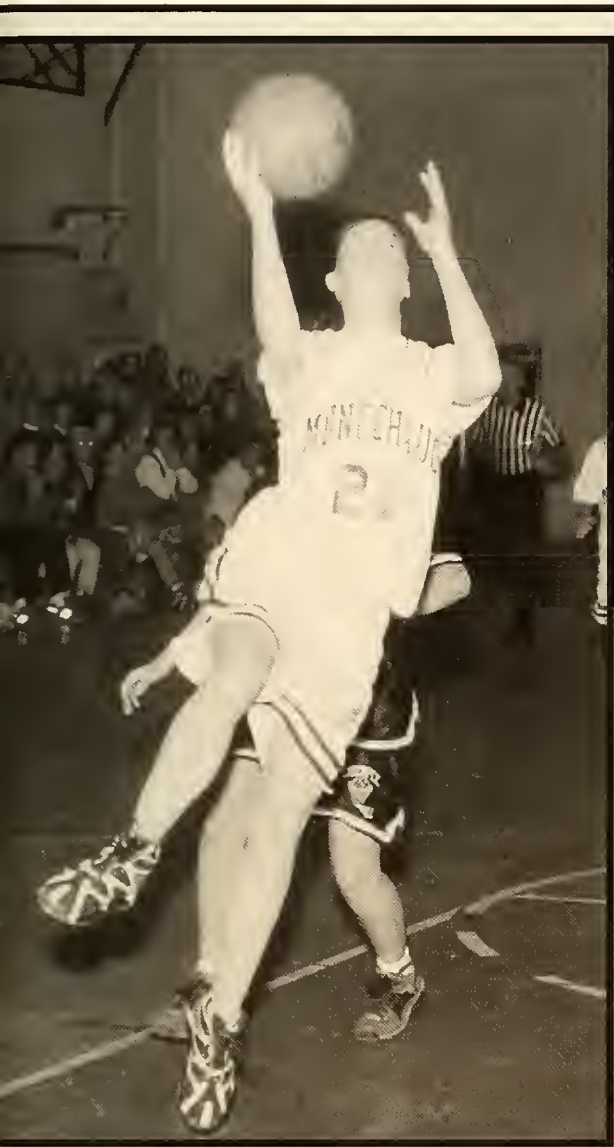

an impressive 26 and 18 points respectively on that same night. Senior Anne Marie Bushway helped lead many dynamic efforts guided by our equally talented Varsity Coach Yelle. Every member of the team played an important role and this was evident in the continually balanced scoring throughout the year. The huge commitment of time, the obvious intense cooperation, and the unfailing devotion of every team member were necessary elements to this record setting year. We have found our place in Division I playing teams we know and respect, which have made each of our wins this year that much more meaningful.

With only three returning players, and a new Varsity coach, we dove head first into a season filled with hope, pride, and desire. Mike Disa, Mike Nordstrom, and Alex Leritz were the three returning players and now Tri-Captains. Mike Lavoie, a Senior, new to the team added to the great feeling of leadership. Very strong point guard play by Adam Ketschek and Mike Farrow provided the surrounding teammates with many scoring opportunities. Jeff Fontaine, Andy

Kumming, and Mike Disa provided the Falcons with great offense, while Alex Leritz and Chris Schofield were tough underneath. Head Coach Bob Crawford did a wonderful job in turning the team around. He was impressed by his team's work ethic and their desire to win. If the incoming Freshmen have as much ambition and talent as this year's teams and we'll be on our way to a Western Mass. title!

Hockey

The Minnechaug Regional High School Varsity Ice Hockey team came into the 1994-1995 season with twelve returning players, eight of them Seniors. What was a dream come true for Coach Mike Ellis, undoubtedly became a nightmare for many other coaches in Western Massachusetts. After an admittedly slow start, the Falcons eventually met the high expectations of all, placing second in the Berry Division, the best finish among Division III teams. Led by their fearless captain Mike Begley, and assistants Greg Edwards, Jeff MacFarlane, and Eric D'Amario, the "Chaug" topped such powerhouses as West

Springfield, Westfield, Amherst, and Greenfield, to name a few. Senior leadership poured out in abundance from Chris Reavey, Mark Martinez, Dan Campbell, and netminder Hank "Gerth" Geberth, while many younger players contributed to the success of the team as well. Fans with an eye to the future can expect great performances, and polished efforts from the remaining players who have benefitted from the exposure to this seasoned bunch of veterans. Head Coach Ellis, with Assistant Coaches Martin and Askwith taught intensity and determination and these are lessons that will stick.

Swim Team

The Minnechaug Regional High School Girls and Boys Swimming and Diving Teams displayed their deep talent once again this year. The girls and boys pulled together to make it another incredible season! With support from all members of the teams, the swimmers ended their already winning season with an unbelievable victory over Westfield. Team depth was a big part of this season with Seniors Andy Bower, Captain Kristyn Paradis, Captain Kara Lavoie, Sara Stone, Katie Shea, Ken Boduch, Tish

Duffy, Seanna Matthews, and Kathy Zimmermann contributing greatly as Falcons! The continued success was also due to the many talented underclassmen who rounded the teams out. Captain Andy Moody, Brian Donovan, Peter Schmidt, Kristen Mikuszewski, Jesse Smith, and Megan Haggerty also continued to do well throughout the season. Nobody can question that this has been another outstanding year for Minnechaug's Boys and Girls Swimmers and Divers!

Wrestling

You won't see a section of this spread with the record of past championships because the 1994-1995 winter sports' season introduced a new Varsity sport to Minnechaug Regional High School, WRESTLING! Under Head Coach Mark Pagalia and Assistant Coach Greg Lennon, the wrestling Falcons soon shaped into a surprize to many opponents at years end. Led by Senior Tri-Captains Terry Jamro, John Logan, and Mike Baltazar, the FALCONS work ethic exceeded the expectations of most. Senior Kris Graham, Junior Frank Turcotte, Sophomores Christopher

Marlatt, Jason Johnson, Mike Kaveney, Nate Merritt, and several key Freshmen deserve credit as being the heart and soul of this developing organization. All members of the inagural season made considerable sacrifice and dedication to ensure success for the Falcons in 94-95. Next season should provide Minnechaug an even more exciting winter season on the mat. With the unyielding support of the team Managers, Jack Aslin and Sheila Maleckas, off mat requirements, including scoreboards were completed without a hitch!

Ski Team

The Boy's and Girl's Varsity Ski Teams did an outstanding job this season, making it to the Western Mass. Championships for the first time in over ten years. Girl's Captains Laura Bresette and Kateri DeMartino, along with Boy's Captains Justin Pabis, Jeff O'Connor, and Mark Fulton led the teams to their strong end of season, and post season finishes. There are many young members of the teams with promise in the years to come. This season, veteran Seniors offered the inspiration, influence, and training to lead the entire team to excellence. The team had their

racers at Bershire East every Tuesday and Thursday throughout the season. Much work is required to become a competitive racer, making it hard not to be discouraged as we entered February without a single snowstorm. But we stuck to our training. *"There is something about being on the Ski team that creates a sense of unity. It must be those long bus rides!"* says Senior skier Suzi Metzger. Everyone on the team should feel a sense of pride after such a great year. It may have been a rocky start, but as soon as we had a good storm it was smooth sailing.

The FALCON!**

Erinne,
Thanks for rolling into our lives!

Love Always,
Mom,Dad & Tim

This Special 35th Anniversary Issue of the FALCON Yearbook was a huge undertaking both creatively and economically. We wanted to do something big that had never been done before, and probably wouldn't be done again soon. With the help of Paul Delaney, Jr., our Taylor Publishing representative we created this book with several "extras" including the foil seal on the front endsheet, the embossed cover, and of course, the color double gate-fold that clearly was four years in the making. We hope you enjoy the '95 FALCON!
